WORK EXPERIENCE

Tech Mahindra Tech Lead

08/2024 - PRESENT

- Handled end-to-end release management processes, ensuring smooth execution and timely delivery of critical releases.
- Collaborated with cross-functional teams to streamline workflows and enhance alignment with business objectives.
- Optimized release processes by identifying and addressing bottlenecks, driving continuous improvement in delivery efficiency and quality.

KPMG International Limited Release Manager

06/2022 - 05/2024

- Led a team of release coordinators, boosting productivity and ensuring on-time delivery of major weekly releases using tools like ServiceNow, Confluence, and Archer to manage the release lifecycle.
- Conducted client interactions, CAB calls, and kickoff meetings with cross-functional stakeholders to align programs with business objectives.
- Established and tracked KPIs, achieving a 60% improvement in release process efficiency through continuous optimization.
- Introduced proactive monitoring to identify bottlenecks, reducing delays by 25% and improving quality by 15%.

Mouri Tech Pvt. Ltd Change and Release Manager

12/2021 - 05/2022

- Successfully led a team in Release and Change Management activities, earning client recognition for performance.
- Collaborated with development teams to create and manage detailed release implementation plans.
- Conducted post-release reviews to gather feedback and identify process improvements. Managed change and incident execution, ensuring alignment with project goals and timelines.

Tata Consultancy Services Senior Specialist

03/2017 - 11/2021

- Led and managed all aspects of RFCs, incidents, changes, and problem tickets from creation to resolution, ensuring timely delivery.
- Ensured resolution of security incidents within SLAs by prioritizing based on severity.
- Implemented monitoring systems to track performance metrics and improve the release management lifecycle, supporting IT development teams with application performance monitoring.
